

# Curriculum Vitae

Li-Ming ZOU

The lecturer at the Finance Department of Qingdao University School of Economics holds a Master's degree and mainly engages in teaching and research on securities investment, financial markets, and financial institution management. He is responsible for teaching and researching courses such as "Investment", "Securities Investment Fund", and "Financial Markets and Financial Institutions". As a primary researcher, he has participated in several scientific research projects funded by the Ministry of Education, Shandong Provincial Social Science, and Qingdao Social Science. He has won the Qingdao Social Science Award, Shandong Soft Science Award, and the Excellent Research Achievements Award for Higher Education Institutions in Shandong. As the main author, he has published several professional works including "Banking Management" and "Securities Investment". Among them, "Securities Investment" won the Excellent Award for Top Ten Best-Selling Social Science Books of the Year by Tsinghua University Press.
